

SPARKS

KS2 'Sparks'

As you are hopefully aware, our school strapline is: Shining Lights in Our Communities.

We have 8 Communities that we refer to often with the pupils. They are: Family, Class, House, School, Ely, UK, Europe and the World.

We would like to challenge our KS2 pupils to become more involved in their wider communities - Ely, U.K., Europe and World. With this in mind, we have developed 'Sparks'.

In School Council we discussed different ways in which pupils are already involved in their wider communities. Some of the ideas were as follows:

Ely: Beavers, Brownies, Ely library events, Ely Festive 5K, Swimming, Football Clubs, Rugby Clubs, Drama, Dance, Apple Festival, Eel Festival, Ely Food Festival, Potato Race and many more!

The United Kingdom: Young Voices, Race 4 Life, National charity fundraisers, Geocache, writing to local MP, visiting family in other parts of the U.K.

Europe: Visiting family in other parts of Europe, pen-friending.

The World: Global charity fundraisers, researching and promoting global issues, becoming involved in the 17 global goals for a better World by 2030, visiting family in other parts of the World.

As you can see, some of the wider communities were easier to discuss than others!

The Challenge:

To collect 10 'Sparks'.

The Rules:

- 1) A 'Spark' can be collected any time you have taken part in a wider community activity. That includes: Ely, UK, Europe and World.
- 2) You may only collect 1 'Spark' a week on your spark chart. This does not in any way prevent you from being more actively involved in other activities if you so wish.
- 3) An adult, who has knowledge of your activity, must sign and date your 'Spark' chart.
- 4) Once you have collected 10 'Sparks', return your chart to your class teacher.
- 5) A 'Spark' certificate will be awarded to you in an assembly and your photo taken for display.
